Dear Prospective Member,

Bring your clubs and your passion for golf to Burl Oaks, where tee times are easily accessible, the pace of play is respected by all, and smiling members and staff make you feel like you really belong.

Members at Burl Oaks love golf, and they love having a great time. The exceptional 18-hole golf course at Burl Oaks offers marshlands, rolling hills, seasoned woodlands, challenging greens and fairways that are fair but will test your shots. It really is a course unlike any other. Our members love the many golf events here: member-member events, member-guest events, and individual member events like the Club Championship. And golf doesn't end with summer at Burl Oaks! Golf simulators fill the Ballroom in the winter months—a wonderful way to get together with friends over the game you love.

There may never be a better time to join Burl Oaks. Building on a rich history of more than 55 years dedicated to golf, Burl Oaks Golf Club is making the turn, approaching a complete course redesign led by renowned golf course architect Jay Blasi.

On behalf of the entire Burl Oaks community, I would be **honored** to welcome you into our membership family. Thank you for considering Burl Oaks Golf Club!

Genuinely,

Jim Tierney
